

Maxwell Pricher

Hardworking and charismatic Sophomore In College looking for a part-time job. My goal as a worker has always been to be as helpful as I can to anyone and everyone. I would say im a big team player and I love getting to know my coworkers and working together with them. I've never had to call off and I've rarely had to ask for someone to take my shift.

EXPERIENCE

City of Kirkwood MO, Kirkwood Community Center — *Camp Counselor*

June 2021 - August 2021

Had to follow a schedule and make sure my campers were on track and behaving. Planning activities for the kids and trying to fill space. Filed paperwork when incidents arose and communicated effectively with parents and camp staff. Cleaned up crafts, and other messes quickly and thoroughly. In addition to working there the past year, I have also volunteered at the same camp for the years 2018 and 2019.

Starbucks, Starbucks Mason Woods MO — *Barista*

314-721-5422

November 2021 - September 2022

Greeted customers when they walked in and commenced small talk. Sanitized and cleaned the café. Made drinks under high pressure and high demand situations. Followed instructions/recipes quickly and with precision. Dealt with tense customer situations and effectively diffuse them.

O+O Pizza, Webster Groves MO — *Busser, Host, Delivery/To-Go's*

November 2022 - August 2025

314-610-3143 (Haley- manager)

Brought food to tables, picked up the phone for to-go's as well as scheduled reservations. Sat tables and made sure things we're menued before the table arrived (thinking into the future and preparation).

Filled waters for customers while making small talk. Cleaned off tables and reset them. Took care of trash and linen bags. General cleaning of the restaurant. Helping servers when possible and clearing plates. Kept track of inventory and made sure thing's were always stocked.

The Clover and The Bee, Webster Groves MO — *Counter, Barista, Busser, Food runner.*

314-942-1216

May 2023 - August 2025

Took orders while keeping up with side tasks. Made sure food came out with the correct garnishes while organizing food orders and then running the food to customers. Made drinks under high-pressure situations.
